

# OPTIONS AFTER GCSE

## 1 STUDY FULL TIME

You can choose to study subjects such as A Levels or work and job related courses.

## 2 TRAIN WHILE YOU WORK

Apprenticeships, traineeships and supported internships all allow you to train while gaining work experience.

## 3 COMBINE WORK AND STUDY

Complete a part time course while you work or volunteer.

If you're not sure what course, job or training programme will suit you then Belbin GetSet is here to help.

Understanding your behavioural strengths can help to guide your choices.
